The ESL holiday camp taking place August 9th to 13th will immerse middle school ESL students in English once again or for the first time after the summer holidays. Each day of the week we will be focusing on different skill areas. Monday will be speaking, Tuesday grammar, Wednesday listening, Thursday reading, and Friday writing. Students will take part in fun and dynamic games, activities, and lessons which will refresh their English skills and prepare them to do their best work immediately when school begins again. The most up-to-date and effective teaching methods will be used in the course. Having had at least two years of English study or one year of ESL is required to participate in this course. If you have any questions about the course, please contact John Hay at [jhayinterculturalist@yahoo.com](mailto:jhayinterculturalist@yahoo.com). Hope to see you in August!
