

Beginners German Language Course – ISZL Holiday Camp

[Camp Details](#)

Dates:	Monday – Friday, 9 – 13 August 2010
Location:	Zug Campus of ISZL
Grades:	5 - 8
Instructors:	Mrs. Hay
Cost:	CHF 490

This camp is for beginners in grades 5-8, aged 11-14 years old (maximum 10 places available).

The programme is for children eager to learn the basics of German in a fun environment. It will be conducted almost totally in German so that the children are immersed in the language from the start. We will practise all language skills of speaking, listening, reading and writing but the main focus will be on speaking.

Each day the programme will run from 9:00am-16:00pm with breaks during the morning and afternoon. The children should bring a packed lunch that they can have at mid-day. Activities will cover a wide range of possibilities including role-plays, drama, simulation games, puzzles, singing, craft and many more.

The language we will cover will focus on the needs of the children as they start German. This will include many areas of language such as, numbers and counting, alphabet and spelling, pronunciation, greetings and good-byes, social language and playing out, giving information, talking about family, colours, coping when shopping and ordering in a cafe/at a kiosk, food and drink, expressing needs, classroom language and instruction. This is a great opportunity to have fun while beginning the adventure of learning a new language. The children just need to come with lots of enthusiasm!!
