

ISZL Music School Child Protection Policy

In the interest of safeguarding students on school premises after school, we ask that parents read the following very carefully and take responsibility for delivering students to, and picking students up from, their Music School lessons at ISZL.

Site staff are on each of our campuses until 6pm daily. During normal school hours and until this time, the site team are present and available to help families on school premises. After this time, as parents or guardians we kindly ask you to be accountable, with regards to Music School lessons that take place after 6pm. Therefore, it is expected that parents or guardians deliver students to, and collect them from their lesson in person, effectively handing-over the student from one responsible adult to another. This is to ensure the safety of all students and avoid the need for any student to walk alone around our campuses.

Many thanks for taking the time to read this important policy, and for your help in ensuring the safety and wellbeing of students at all times of day.
