

SAFEGUARDING AT ISZL VISITOR POLICY

Welcome to ISZL. To help us keep everyone safe and make your visit a positive one, we kindly ask you to follow these guidelines.

- Please sign in when you arrive and sign out before you leave. Wear your visitor badge where it can be easily seen throughout your visit.
- You must not be alone with a student at any time, and should avoid physical contact, except where a student is in immediate danger.
- Please do not take photographs or video of students, in order to protect their privacy.
- You must not arrange to contact students outside school. Please do not ask students for personal contact details, including social media.
- Please do not give money or gifts to students, or accept them from students.
- Please use the adult toilets and changing rooms rather than those provided for students.
- Smoking, vaping, and alcohol are not permitted on campus, except where the school has specifically authorised it.
- We warmly encourage you to speak with everyone at ISZL in a friendly, respectful, and considerate way.
- If you have any concerns about a student's safety or wellbeing, please tell a member of staff straight away.
